Berkley Design Professional's BDP Risk® Learning Management System Wins Gold in 2023 Brandon Hall Group Excellence Awards

Monterey, Calif. (December 5, 2023) – The BDP Risk® Learning Management System (LMS) from Berkley Design Professional (BDP), a division of Berkley Alliance Managers, a Berkley Company, has won a Brandon Hall Group Excellence Award for Learning for the fifth consecutive year. This year's Gold Award for "Best Advance in Custom Content" recognizes Berkley Design Professional's success in increasing user engagement with the addition of learning plans tailored to specific roles or topic areas.

This highly-coveted honor, which recognizes self-paced, custom-designed online courses related to workplace learning, marks the sixth Brandon Hall Group Excellence Award for the BDP Risk® Learning Management System (LMS) program.

"BDP Risk® is a state-of-the-art risk management program and LMS platform that provides policyholders with valuable educational resources to help them prevent professional liability claims, improve management practices, enhance business performance and qualify for premium rating credits," said Diane P. Mika, senior vice president, risk management officer at Berkley Design Professional. "By adding curated learning plans based on policyholders' interests, experience level and role, BDP Risk® enables them to complete a series of courses suited to their professional development and risk management needs."

When prospective clients receive early access to BDP Risk®, they are seven times more likely to become a policyholder. Once onboard, when a policyholder experiences BDP Risk® education, over 90% choose to renew coverage.

As an approved provider for the American Institute of Architects (AIA) and the Engineering Registered Continuing Education Program (RCEP), BDP Risk® offers a variety of courses that allow policyholders to earn free continuing education credits.

The BDP Risk® award entry was sponsored by LMS software provider, Docebo, which also shares the honor. Now in its 29th year, the Brandon Hall Group Excellence Award is among the most prestigious awards offered within the human capital and corporate/institutional learning industry.
